

## DONZI El Pescador 24

EL PESCADOR, designed for the pro-angler, is today's unlimited — limited fisherman — but, only limited in quantity, not quality. Unlimited features start in the engine compartment. EL PESCADOR can be rigged economically with any major single eight cylinder inboard-outboard up to a pair of husky 300 horsepower Chris-Craft 300's that will give the angler speeds in excess of 60 miles per hour. Unlimited, when it comes to the big sea chase too, thanks to DONZI engineering. Unlimited when it comes to big water, EL PESCADOR will velvet any sea and stay dry even in quartering conditions.

**STANDARD EQUIPMENT — Steering:** Teletex mechanical  
**• Electrical System:** 12 volt, color coded, fused • **Instruments:** Tachometer, oil pressure, water temperature, ammeter, fuel gauge • **Controls:** Single lever throttle and shift combination • **Battery:** 12 volt, 80 ampere-hour heavy duty marine • **Fuel System:** 100 gallon tank, grounded, shut-off valve, electric gauge, chrome on brass filler and vent • **Blower:** 12 volt electric • **Bilge Pump:** 12 volt automatic and manual • **Running Lights:** International rules, portable anchor light • **Fire extinguisher:** 2½ lb. dry chemical • **Hardware:** Two flush mount Lee rod holders, two chrome on brass stern cleats, stern lifting ring, combination bow lifting ring, stainless steel towing eye, custom stainless steel helm's wheel • **Cockpit:** Moulded fiberglass, non skid deck and cockpit floor, forward casting platform,
