

DONZI F-22

DONZI F-22

The newly designed Donzi F-22 is a fulfillment of a long time desire and demand for a larger, finer version of the highly respected Donzi 18 2 + 3. The F-22 has the maneuverability and classic styling of her smaller sister, plus many additional features, among which are a larger cockpit and a larger engine compartment. This engine compartment allows the use of special manifolds and other accessories without disturbing the sleek lines of the deck. Custom color combinations are available with matching upholstery. Special standard equipment includes cockpit cover, horn, dock lines, Donzi flight bag, and life jackets.
